| FILE NAME | RECORD NUMBER | LINE NUMBER | REMARK  |
|-----------|---------------|-------------|---|
| (a)       | (b)           | (c)         | (d)   |
|           |               | 1           | There are eight (8) brigade-level units in the Finnish Army.                    |
|           |               | 2           | These units are tasked by Army Command.   |
|           |               | 3           | - Jaeger Brigade (in SODANKYLÄ and ROVANIEMI in Lapland)                        |
|           |               | 4           | - Guard Jaeger Regiment (in HELSINKI)   |
|           |               | 5           | - Kainuu Brigade (in KAJAANI)   |
|           |               | 6           | - Karelia Brigade (in VEKARANJÄRVI, KOUVOLA)                                    |
|           |               | 7           | - Army Academy (in HAMINA and LAPPEENRANTA)                                     |
|           |               | 8           | - Armoured Brigade (in PAROLANUMMI, HÄMEENLINNA and RIIHIMÄKI)                  |
|           |               | 9           | - Pori Brigade (In SÄKYLÄ and NIINISALO)  |
|           |               | 10          | - Utti Jaeger Regiment (in UTTI)  |
|           |               | 11          | These brigade-level units are tasked to train conscripts.                       |
|           |               | 12          | They may also support other authorities.  |
|           |               | 13          | Annually there are two (2) intakes.   |
|           |               | 14          | On the average some ten thousand (10000) conscripts serve in these units.       |
|           |               | 15          | Of these 10000 conscripts   |
|           |               | 16          | approximately 10-15% may form company size readiness troops.                    |
|           |               | 17          | These company sized units can be used as an initial force for national defence. |
