## Appeal instructions

### Court of appeal

An appeal against this decision may be filed in writing at the \_\_\_\_\_  
Administrative Court. The petition of appeal shall be addressed to the Court of Appeal and delivered within the time of appeal to the Registry Office of  
\_\_\_\_\_ Administrative Court.

### Time of appeal

The decision must be appealed within 30 days after receipt of service. When calculating the time of appeal, the day of service is not included. If the last day of the time of appeal is a Sunday or holiday, Saturday, the Day of Independence, the first of May, Christmas Eve or Midsummer Eve, the time of appeal will continue to the following weekday.

The receipt of service is regarded to have taken place on the day when the document was handed over to the person concerned or to his or her messenger or presented to the person concerned. If there is an advice of receipt on a mailed document, the person concerned is regarded to have been informed of the decision on the date shown on the advice of receipt. If such an advice of receipt has not been required or substitute service is in question, the receipt of service is regarded to have taken place, unless otherwise shown, on the seventh day after the document has been submitted to the Post Office, or on the third day from the date shown on the certificate of service concerning substitute service. An authority is regarded to have been informed of the petition of appeal on the arrival date of the letter.

### Contents of appeal

The petition of appeal must give

- the appellant's name and home municipality
- the decision appealed against, what in the decision is appealed, what changes are demanded and on what grounds, and
- the mailing address and telephone No by which the appellant may be informed of the matter.

If the appellant's right to be heard is used by his or her legal representative or agent or if the appeal has been drawn up by someone else, his or her name and home municipality must also be given in the petition of appeal.

The appellant, his or her legal representative or agent must sign the petition of appeal.

### Annexes to the appeal

To the petition of appeal must be annexed

- The decision appealed against in original or as a copy,
- A certificate of the date of the certificate of service, or other statement of the commencement of the time of appeal,
- The agent's power of attorney and
- The documents referred to by the appellant to support his or her demand, unless previously submitted to the authority.

### Submitting the petition of appeal

The petition of appeal may be submitted by the appellant himself or herself or an agent authorized by him or her. It may also be sent by post or be delivered by a messenger at one's own risk. The petition of appeal must be posted in good time to arrive at the Court of Appeal before the closing time on the last day of the time of appeal at the latest.
